Dear Members,

2023 has been quite the year, and our membership numbers are currently just under the 400 mark. From my side, a very big thank you to all our wonderful leaders and members; for showing our visitors what a great club we have, and thus encouraging them to join. We have signed up **77** new members as of writing this - welcome, and may you all become "Long-Standing Members". With 21-plus years, you can look forward to a 50% discount on your membership fees!

With the year drawing to a close, it is time to think about renewing your membership for 2024. The Johannesburg Hiking Club has been around for 92 years and today is a premier hiking haven, boosting the very best hike leaders in South Africa as well as access to the most wonderful hiking venues the country has to offer.

With ever-increasing prices, we are holding our 2023 membership fee with an "Early Bird Special" until the 31st of January 2024, after which, the new 2024 price will apply.

Please note, we also have a "grace" period from February 2024 until the 16th of March 2024, being the date of the AGM for 2024. Without payment, your club membership will lapse after this date, so please try to avoid this.
