*Involves steep long climbs, typically 300m or more. Not suitable for visitors unless already reasonably sports fit or are experienced hikers. **Sunday Hikes** are typically 7 hours or longer, often in tough terrain without paths. Three hours of hiking up sometimes steep mountainsides and down valleys, over rough ground and scrub are usually covered, before stopping for 1/2 hour lunch break, after which a further 3 hours of hiking back to the start point covers a typical day. **Level 1 - Slow** Challenging for the relatively unfit hiker with a slower (but not necessarily slow) pace and plenty of rest/recovery stops. **Level 2 - Moderate** Faster pace with fewer rest/recovery stops and a longer distance. **Level 3 - Fast** Challenging for the fit hiker with a fast pace and long distance.
